

# MARTOR CERAMIC BLADES

MARTOR now offers a variety of safety knives with pre-installed ceramic blades. Our ceramic has been engineered into a durable and usable material specifically for cutting industrial materials.

Six of our top safety knives are now also available with ceramic blades – for maximum durability and sharpness.

## THE HIGH-QUALITY ALTERNATIVE: CERAMIC BLADE NO. 1792.25

According to cutting application and preference, the CERAMIC BLADE NO. 1792.25 can be used in place of the INDUSTRIAL BLADES NO. 92 and 92043. Like its steel counterparts, the CERAMIC BLADE NO. 1792.25 has 4 cutting edges.

CERAMIC BLADE NO. 1792.25

Technical features

Material thickness 0.50 mm

CAN BE OPTIONALLY USED WITH

CERAMIC BLADE NO. 1760099.25

Technical features

Material thickness 0.65 mm

CAN BE OPTIONALLY USED WITH

### SECUPRO MEGASAFE

- Fully automatic blade retraction
- Ceramic blade NO. 1760099.25
- Standard steel blade NO. 99.70

+ CAN BE USED WITH CERAMIC OR STEEL BLADE REPLACEMENTS

### SECUPRO MAXISAFE

- Fully automatic blade retraction
- Ceramic blade NO. 1760099.25
- Standard steel blade NO. 60099.70

+ CAN BE USED WITH CERAMIC OR STEEL BLADE REPLACEMENTS

### SECUNORM 525

- Automatic blade retraction
- Ceramic blade NO. 1760099.25
- Standard steel blade NO. 99.70

+ CAN BE USED WITH CERAMIC OR STEEL BLADE REPLACEMENTS

## THE HIGH-QUALITY ALTERNATIVE: CERAMIC BLADE NO. 1765232.25

According to cutting application and preference, the CERAMIC BLADE NO. 1765232.25 can be used in place of, among others, the TRAPEZOID BLADES NO. 5232 and 65232. Like its steel counterparts, the CERAMIC BLADE NO. 1765232.25 has 2 cutting edges.

CERAMIC BLADE NO. 1765232.25

Technical features

Material thickness 0.65 mm

CAN BE OPTIONALLY USED WITH

### SECUNORM 500

- Automatic blade retraction
- Ceramic blade NO. 1765232.25
- Standard steel blade NO. 5232.70

+ CAN BE USED WITH CERAMIC OR STEEL BLADE REPLACEMENTS

### SECUNORM 300

- Automatic blade retraction
- Ceramic blade NO. 1765232.25
- Standard steel blade NO. 665232.70

+ CAN BE USED WITH CERAMIC OR STEEL BLADE REPLACEMENTS

### SECUNORM MIZAR

- Automatic blade retraction
- Ceramic blade NO. 1765232.25
- Standard steel blade NO. 665232.70

+ CAN BE USED WITH CERAMIC OR STEEL BLADE REPLACEMENTS
